

The Deep State

Please see quotes below for background info on the global ‘mono-state’, ‘deep state’, ‘one world government’, ‘new world order’ or ‘shadow government’.

David Rockefeller, Founder of the Trilateral Commission, June 1991

“...We are grateful to The Washington Post, The New York Times, Time magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years...

...It would have been impossible for us to **develop our plan for the world** if we had been subject to the bright lights of publicity during those years.
